**SATURDAY  
SCHOOL OF  
THEOLOGY**

### **When does it happen?**

God willing, this will take place on the 4th Saturday of each month.

### **What is it?**

These are monthly seminars (teaching & discussion group) on Bible teaching and evangelical doctrine.

### **What's it for?**

The purpose of these seminars is to help born-again believers mature in, and deepen their Christian faith. This is done by considering key teachings of the Bible, and exploring how these impact on our lives—both individually and in the church.

### **Who is it for?**

Most Christians will benefit from these seminars. The only qualification is that you know how to use your Bible.

### **What time is it?**

Seminars will run from 10.00—12.00, with a break for refreshments.

### **What is the syllabus?**

The basic textbook for the Saturday School of Theology will be Wayne Grudem's 'Christian Beliefs: 20 Basics every Christian should know'.

### **What will it cost?**

The only cost is for the purchase of the syllabus book (above) for £7. This must be paid for at the same time as registering for the School. Apart from this, a notebook and pen would be very useful equipment to bring along!
